Clery Act Compliance – Violence Against Women Act (VAWA) Daily Crime Log

The Clery Act, as amended by the Violence Against Women Reauthorization Act of 2013 (VAWA), imposes certain requirements on the University's response to Sexual Assault, Dating Violence, Domestic Violence, and Stalking. Post-secondary institutions that receive federal funding are required to report crime statistics in their daily crime log, Annual Security Report, and to the U.S. Department of Education. Key response and procedural protections under the Clery Act include issuing a timely warning when there is a serious or ongoing threat, instituting protective measures (referred to as supportive measures, and which may include mutual no contact orders), using trained and impartial investigators and decision-makers, reaffirming the right of individuals to decide whether to report or seek assistance from law enforcement and/or campus authorities, allowing individuals to be accompanied by an advisor of their choice during the process, allowing timely and equal access to any information used in a disciplinary proceeding, and providing written notice of the outcome and rationale.
